A New Kind Of War

A New Kind of War takes us back to the Greece and Germany of 1945 - as the old kind of war comes to its official end. Why has David Audley broken the British-Greek truce? And furthermore, why did his brigadier order his actions? Is it just coincidence that Audley is surprised near Delphi by Captain Fattorini of the Royal Engineers?

A New Kind Of War by Anthony Price - Goodreads

This forces the reader to think a bit, but can be off-putting as well. Price's hero/anti-hero, David Audley, is too smart by half, but I found the Audley character interesting in the extreme. Price's descriptions of pieces of the Anglo/Greek Campaign in a New Kind of War provided me useful insight into that star-crossed bit of history.

In the wake of the terrorist attacks on the World Trade Center and the Pentagon, a number of U.S. political leaders have said that the United States is now engaged in “a new kind of war.” Is terrorism really a new kind of war? What, if anything, is new about it? In fact, the only thing “new” is that the United States has decided to treat it as war. What shocks us most about terrorism is that it targets civilians. That innocent men, women and children are the targets of terrorism ...

WWI was a new kind of war because it was the first time the world had experienced total war. Total war is defined as the total mobilization of a society to assure the destruction of the enemy including civilians. The term total war comes from WWI because for the first time civilians were considered to be fair game during times of war.

Why was World War 1 considered a new kind of war? - Quora

New weapons such as tanks, airplanes, and submarines changed the way war was fought. In addition, the stalemate created by trench warfare made this the deadliest conflict in history up to that time. The Great War = World War I, was fought primarily in Europe but spread to the colonies, Asia, and the Middle East.
