A Return To Healing Radical

A Return to Healing exposes what many of us in the healing professions have known for a long time: The business model not only doesn't work in medicine, it corrupts it. Dr. Len Saputo, along with co-author Byron Belitsos, give the reader a strikingly clear picture of how profit-driven medicine has gone terribly wrong -- poisoning good doctoring to near death.

A Return To Healing: Radical Health Care Reform and the ...

A genuine return to healing requires that we combine regulatory reform with support for a transformed medical paradigm. Dr. Saputo's novel prescription for change draws from his front-line work as a cofounder of the Health Medicine movement and originator of one of America's first integrative medical clinics.

A Return to Healing: Radical Health Care Reform and the ...

We do not need radical new laws to remedy our woes; we simply need a radical re-commitment to honoring the founding contract with America . Defund the police. Better still, disband them. Apologize for being White, or maybe not. Or, maybe, reject the notion that racism holds back African-Americans, or perhaps, wrap the whole premise of the foundation and purpose of America around it instead.

Your Care After Radical Prostatectomy

Only then, will white folk begin to find healing from this spiritual disease. Only then will we break rank from a culture of whiteness that clings to a myth of America's greatness—perpetually scaffolded by silence and niceness. As we shelter-in, white Christian America cannot afford to wait around for “a return to normal.”
