Appetite for Destruction is the debut studio album by American hard rock band Guns N' Roses. It was released on July 21, 1987, by Geffen Records. The album was released to little mainstream attention in 1987.

Appetite for Destruction - Wikipedia

Appetite is psychological, dependent on memory and associations, as compared with hunger, which is physiologically aroused by the body's need for food. Lack or loss of appetite, known as anorexia, may be due to subjectively unpleasant food, surroundings, or company, or a symptom of either a physical disorder or an emotional disturbance.

Appetite | definition of appetite by Medical dictionary

Directed by Cameron Casey. With James Duval, Bonnie Rotten, Lauren Parkinson, Jake Allyn. Daisy is the all-American girl next door with a hunger for true love and an appetite for murder. Then one day Daisy meets the man of her dreams, only to discover that his own lust for killing might make her his next victim.
