Hausa, a West Chadic language, is one of the major lingua francas of Africa on the national and international level; approximately 40–50 million people speak it as either a first or a second language. Some other Chadic languages, including some that had fairly large numbers of speakers at the turn of the 21st century, are threatened by extinction in part because of the rapid expansion of Hausa.

Mubi-Toram is a group of languages in the Republic of Chad (some of them close to the border with Sudan). This group belongs to the eastern subbranch of Chadic and thus represents the member of the immense Afro-Asiatic (Semito-Hamitic) macrofamily comprising six equipotential branches: Semitic, Egyptian, Berber, Cushitic, Omotic, and Chadic.
