Changing Minds. Leading social change by inspiring positive action. Our vision is to help society feel confident in their ability to support each other through tough times, to be able to talk about these moments safely and honestly without judgement or fear of discrimination, and to recognise that people with even extreme experiences recover ...

Changing Minds | For better mental health in New Zealand

Publisher's description: Minds are exceedingly hard to change. Ask any advertiser who has tried to convince consumers to switch brands, any CEO who has tried to change a company's culture, or any individual who has tried to heal a rift with a friend. So many aspects of life are oriented toward changing minds--yet this phenomenon is among the least understood of familiar human experiences.
