Firmly press and release buttons on the remote one at a time. Try using a Comcast remote from another TV Box, if available, to isolate and check for problems. If another remote is unavailable, or the substituted remote still does not function, try to change channels using the buttons on the receiver's front panel.

Troubleshoot your remote control | Comcast Business

Not at all helpful for me. I wanted to know if I could customize the channels in the Guide to only those I am interested in as I could with ATT. I just moved from ATT to Comcast and I am starting to regret it. Not only is Comcast slower, but I had way more internet and tv speed with ATT and more options on the remote.
