Design of the Leaders: Communalism has flourished in India because the communalist leaders of both Hindu and Muslim communities desire to flourish it in the interest of their communities. The demand for separate electorate and the organization of Muslim league were the practical manifestations of this line of thought.

Communalism in India is result of the emergence of modern politics, which has its roots in partition of Bengal in 1905 and feature of separate electorate under Government of India Act, 1909. Later, British government also appeased various communities through Communal award in 1932, which faced strong resistance from Gandhi ji and others. All these acts were done by the British government to appease Muslims and other communities, for their own political needs.
