Covenant Conjure - Defense Against The Black Arts | Udemy

Defense against the Black Arts is written for the reader with a good technical background who is looking for a nuts and bolts approach to ethical hacking. Its 14 chapters provide a comprehensive overview of the topic, with an emphasis on Windows. But for those looking for an introductory text, this is not the best choice out there.

Book Review : Defense against the Black Arts

Defense Against The Dark Arts: Hexenspiegel. Hexenspiegel have been used as a major defence against the dark arts for as long as people have been around. There is something about the flowing, reflective, smooth properties of metal that makes for a natural defence against incoming bad energy, which is by nature, disturbed, impure and chaotic.
