EVOLUTIONININVESTMENT TREATY LAW AND ARBITRATION

International Investments are those investments that are made outside the domestic markets and offer portfolio diversification and opportunities for risk minimization. An investor can make international investments thereby expanding his horizon of returns. In some cases, it can also help mitigate some systematic risks associated with specific country's economies.

Scope and Evolution of International Investment Law

And whilst a growing number of investment treaty tribunals, as well as new investment treaties, have to some extent reined in such broad protections, the evolution of key investment protection standards has been marred by inconsistency and uncertainty. 34 ICSID Treaty Counterclaims: Case Law and Treaty Evolution

Investment treaties have evolved over the course of years to recognise the rights of investors under them and protect these rights from the wrongful acts of host States. This evolution can be traced through three phases. The first phase is the Colonial Era, which covers the period from the late 18thCentury to the Second World War.

AN INTRODUCTION TO INVESTMENT TREATY ARBITRATION

Since then, much has happened with Malaysia's investment treaty practice alongside the rapid development of its economy, this article surveys the evolution of malaysia's investment treaty practice in terms of the formal requirements to be fulfilled for foreign investments to benefit from investment treaty protections, assesses the current situation, and suggests recommendations related to those formal requirements so as to make malaysia even more attractive as a destination for foreign ...

Evolution Of The Formal Requirements For Investment Treaty ...

Abstract. This book provides a conceptual and legal analysis of the core of investment protection guarantees that emerge from international treaties signed since 1959 for the promotion and protection of foreign investment. It focuses on both the origin and evolution of investment treaty standards. In terms of origin, the work considers the broader context at the time when the first modern investment treaty was concluded.

Origin and Evolution of Investment Treaty Standards ...

Covering four main areas, the work offers you practical guidance and commentary on the evolution of investment treaties, the law of treaty conflicts, treaty conflicts in investor-state arbitration, and investment treaty conflicts and the European Union. It covers every issue that you might expect to find in this contentious area, including:
