### High Tech Heretic Why Computers

High Tech Heretic punctures the exaggerated benefits of everything from foisting computers on preschoolers to "free" software to computer "help desks" that help no one at all. Why, Stoll asks, is there a relentless drumbeat for "computer literacy" by educators and the high-tech industry when the computer's most common uses are for word processing and games?

### High Tech Heretic: Why Computers Don't Belong in the ...

In High-Tech Heretic, Clifford Stoll questions the relentless drumbeat for "computer literacy" by educators and the computer industry, particularly since most people just use computers for word processing and games--and computers become outmoded or obsolete much sooner than new textbooks or a good teacher.
