Dell Inspiron 530: First symptom was asking for BIOS password. No idea why. Removed cmos battery for 24 hours and replaced. Set clock and changed boot order to HD first, CD second, floppy disabled (isn't one).

Dell Inspiron 530: First symptom was asking for BIOS ...

It is a Dell Inspiron 530 I picked up for free at a local computer shop. As some of you may know, the Dell BIOS on this machine is severely limited which didn't make things easy. So I did some research and stumbled upon an alternate bios for the 530 which allowed AHCI and HPET which are essential for this computer to work as a Hackintosh.

SUCCESS Dell Inspiron 530 Running El Capitan | tonymacx86.com

La Inspiron 530s es una PC de escritorio delgada de Dell destinada a los usuarios de computadoras en general. Cuenta con un diseño de metal pulido, y puede orientarse vertical u horizontalmente. Dentro del gabinete hay un hardware muy adecuado tanto para el entretenimiento multimedia como para el trabajo de oficina.

Hi I have installed a 500GB SSD in my Inspiron planning to use this as the boot drive and keep the standard 1TB HDD as storage. I have cloned the HDD to the SSD and successfully booted from it. I have not re-formatted the HDD and would prefer to avoid doing that. In bios setup I can uncheck the (To...
