...

"Justice delayed is justice denied" is a legal maxim. It means that if legal redress or equitable relief to an injured party is available, but is not forthcoming in a timely fashion, it is effectively the same as having no remedy at all.. This principle is the basis for the right to a speedy trial and similar rights which are meant to expedite the legal system, because of the unfairness for the ...

“Justice delayed is justice denied” | Request PDF

The delay could be man made and in exceptional circumstances due to force majeure. In our view, the man made delay is the crux of the matter. If one has empirical data, one can safely assert that natural causes of delay in the administration of justice will be less than 2% of all the causes of delay in the Magistrate Courts all over our nation.

Justice is delayed for Bijan Ghaisar - The Washington Post

One reason given for the slow wheels of justice is the “clogged court dockets”—too many cases being tried by too few courts and judges. This gets worse every year, as new cases pile up as fewer and fewer cases get to be decided by the courts. Two other reasons: the dilatory tactics by the defense and the lackadaisical attitude of the judges.
