Keeper of Shadows by Bridgett Powers - Goodreads

Every shadow is proof of light. A light-bearer with limited vision. A prisoner with wings. Can two cursed souls defeat the forces of darkness? Noire hates the magic that cursed his family and trapped him in the form of a raven. But to break the spell, he's willing to do anything, even if it means striking a bargain with the cruel sorceress Venefica.

During Gandalf's fight with the Balrog in The Lord of the Rings, he says of himself that he is the wielder of the Flame of Anor. It is nowhere else referred to in the trilogy, so its particular meaning remains unclear. Anor is the Elvish word for the Sun, so literally the flame of Anor would have alluded to the light of the Sun, which had originated in the fiery fruit of Laurelin, one of the ...

The cosmology of J. R. R. Tolkien's legendarium combines aspects of Christian theology and metaphysics, mythology (especially Germanic mythology) and pre-modern cosmological concepts in the flat Earth paradigm with the modern spherical Earth view of the solar system.. Tolkien's cosmology is based on a clear dualism between the spiritual and the material world.
