Meaning And Truth In Religion

The truth about religion is that there is no one Truth but rather multiple versions of many possible truths. Sigmund Freud, the founder of psychoanalysis, called religion a neurosis and claimed that it was, at bottom, an illusion; Karl Marx, who called for the workers of the world to unite, famously stated that religion was the opiate of the masses; William James, American pragmatist and innovative psychologist, defined religion as the feelings, acts, and experiences of individuals in their ...

Literalism, and the urge to reduce religious myth to clearly and rationally understood claims, always amounts to trivialization. Truths that are perfectly clear and unambiguous to reason are not the truths of religion, while myth and mystery, which are never clear and unambiguous, are. © PROF. RICHARD TAYLOR 2004.
