Metro Winds Isobelle Carmody

Metro Winds is a short story anthology published by Isobelle Carmody in 2012. It contains six stories. In genre terms I'd describe them as Magic Realist, and European fairytales is the closest they get to a unifying theme. The back cover provides a blurb for

This is Isobelle Carmody's second short story anthology, the first being Green Monkey Dreams. Overall it was a great collection of short stories, not as thought provoking as Green Monkey Dreams, but some very interesting and varied tales, and some beautiful stories.

Carmody's themes, motifs and concerns from her acclaimed Obernewtyn Chronicles appear in Metro Winds. These include dreams, secrets, beasts and misfits. Some of the short stories are for older readers - mature secondary and adults, but the others will beguile all readers of sophisticated speculative fiction.
