Moon Palace and the Art of Paul Auster Paul Auster is a writer's writer, or to his critics a writer that is self-indulgently always looking inward and is all style over substance. However, a discussion of postmodern or late twentieth American literature would be vastly incomplete without acknowledging the great contribution that Auster has made to it.

**Moon Palace Quotes by Paul Auster - Goodreads**

Mr. Auster, who is 42 years old, said that it took a long time for him to find the idea that, quite literally, shines through "Moon Palace." (The book takes its name from a Chinese restaurant - and its bright neon sign - on Broadway near the campus of Columbia University.) "This novel was knocking around in my head for many years before I actually sat down and wrote it," he said.

**The Remarkable Journey of Marco Stanley Fogg**

Moon Palace by Paul Auster "It often happens that things are other than what they seem, and you can get yourself into trouble by jumping to conclusions." Marco Stanley Fogg is an orphan, a child of the sixties, a quester tirelessly seeking the key to his past, the answers to the ultimate riddle of his fate.
