Not Quite Shamans: Spirit Worlds and Political Lives in ...

With the transition from a collectivized economy and a one-party state to a global capitalist market and liberal democracy in the 1990s, the people of the Shishged were plunged into a new and harsh world that seemed beyond their control. "Not-quite-shamans"-young, unemployed men whose undirected energies erupted in unpredictable, frightening bouts of violence and drunkenness that seemed occult in their excess- became a serious threat to the fabric of community life.

A shaman is concerned with the health and well being of the entire community, not any one individual or privileged group, and this extends to all plants, animals, and the whole environment. Shamans traverse the spirit worlds by inducing an ecstatic state, which leads to states of trance and spiritual, or sometimes physical, transformations.
