One Nation Under Therapy | Christina Hoff Sommers | Macmillan

One Nation Under Therapy is a salutary book, one that not only provides convincing evidence of the harm done by therapism but also reminds us of the appropriateness—indeed, the necessity—of indignation and censoriousness in the face of destructive behavior. Beyond this, it seeks to recover the connection between such old-fashioned virtues and the preservation of a democratic culture founded on the ideals of autonomy and freedom.

One Nation Under Therapy: How the Helping Culture Is ...

By practicing reticence and reserve in regards to their feelings and thoughts it seems that many of our ancestors lived unfilled lives. Yet, One Nation Under Therapy illustrates that the endlessly processing of feelings makes for pessimistic and dispirited obsessions-and little else. Through constant discussion, irritation can morph into rage.
