on the phone, just follow my diagrams. You do not need to register on the website, but its nice to do it just in case for the future. OK, here we go...

SonyEricsson WAP & MMS Setting How-To

I was having problems getting the MMS settings from the sony ericsson site. I have a Sony Ericsson w580 and my service provider is Rogers. I eventually fixed my settings by flashing a Rogers custpack I got from SEusers and then applying a master reset. I got the idea of the master reset from this thread, so thanks a lot.

One question, do you have a data plan or a MMS plan with your phone service provider? If you do call them and ask the for the MMS settings, once you have that go Menu>Settings>Wireless & Networks>Mobile Networks>Access Point Names> and since you did the option to download the settings automatically check the created one named "MMS" or "Message" and confirm that the settings there are the same ...
