Silencing the Past and the Production of History (1995)" — 15 likes "History is the fruit of power, but power itself is never so transparent that its analysis becomes superfluous. The ultimate mark of power may be its invisibility; the ultimate challenge, the exposition of its roots." — 7 likes

Silencing the Past by Michel-Rolph Trouillot

The silencing was doubly effective because the Haitian Revolution, the most successful slave revolt in history, was largely written out of the texts by historians of the period. Trouillot places the Haitian story within the context of the denial of the Holocaust, the debate over the Alamo, and the meaning of Columbus.
