But ten percent is not enough. For the experiment to work, the ten percent has to be followed by a critical mass of people who can hold middle-class jobs and promote social stability. That is what is missing. Through the years, too many black people continue to show an inability to function and prosper in a culture unsuited to them.

Ten Percent Is Not Enough - JAMES EDWARDS

But ten percent is not enough. For the experiment to work, the ten percent has to be followed by a critical mass of people who can hold middle-class jobs and promote social stability. That is what is missing. Through the years, too many black people continue to show an inability to function and prosper in a culture unsuited to them.
