Book Review: The Decline of Constitutional Democracy in ...

Constitutional democracy is a system of government in which all powers are exercised under a constitution which grows out and is dedicated to the protection of equal human dignity. The latter requires that each and every individual is recognized an equal right to self-fulfilment within the scope of the same right recognized and exercised by others. By making equal human dignity a point of depa ...

"Bruce Ackerman's The Decline and Fall of the American Republic is a profoundly important constitutional wake-up call. It presents a powerful, multi-layered, yet highly accessible argument that the body politic faces the serious and unprecedented structural risk of presidential extremism and lawlessness—and a series of new checks and balances that offer the rare combination of pragmatism and originality.

The decline of constitutional democracy in Indonesia ...

The Democracy Index 2016, released in January 2017, now lists the United States as a flawed democracy. The basis for the decline was not the most recent presidential election. Instead, the report argues that Donald Trump benefited from a lack of popular trust in American government , a lack that also led to the demotion.
