Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

The Men's 100m at the 1988 Summer Olympics in Seoul, South Korea has frequently been dubbed 'the dirtiest race in history'. The world-record winning time set by Ben Johnson was nullified two days after the race after a post-race drug test indicated steroid use. Suspicion of wider drug-use in the field was rife, as well as accusations that the eventual winner, Carl Lewis, ran illegally out of his lane.
