...

The 21st Century dawned on a very different presidency than the one created at the end of the 1700s. Constitutional provisions limited the early presidency, although the personalities of the first three — George Washington, John Adams, and Thomas Jefferson — shaped it into a more influential position by the early 1800s. However, throughout the 1800s until the 1930s, Congress was the ...

The 85212 ZIP code, where the Polytechnic campus is located, reported 69 new cases. Combined, the 85004 and 85306 ZIP codes reported 66 new cases. Since Aug. 1, ASU has had 2,784

students and employees test positive for the coronavirus, an increase of 161 cases. Students make 2,671 cases and employees account for 113.

President Crow addresses rising active COVID-19 cases ...

The vast majority of the University's COVID-19 positive cases have been diagnosed in off-campus undergraduate students. Transmission has occurred due to parties, dining in restaurants or bars, and even in cars where occupants were unmasked. The common thread among cases is a lack of mask wearing and physical distancing.

Update Following the President's Address to Students ...

The nation almost found out in 2000. In the presidential election of that year, the Republican ticket won the election by a very narrow electoral margin. To win the presidency or vice presidency, a candidate must get 270 electoral votes (a majority). George W. Bush and Dick Cheney won by the skin of their teeth with just 271.

A timeline of what Trump has said on coronavirus - CBS News

Presidency of the United States of America, chief executive office of the United States. In contrast to many countries with parliamentary forms of government, where the office of president, or head of state, is mainly ceremonial, in the United States the president is vested with great authority and is arguably the most powerful elected official in the world.
