The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

### The Friendship Cure

[The Friendship Cure] traces friendship's curative nature through scientific research, psychotherapies, personal stories, and interviews with academics and everyday folks. . . . For overworked, stressed-out, lonely people, Leaver's book shows how friendship offers a safe place to be our real, fallible, even outlandishly weird selves and know that we're accepted and loved.

I'm currently reading The Friendship Cure by Kate Leaver. I bought it for a friend recently, sight unseen, on the basis of the recommendation in this video which I mentioned in a previous post about self-help books.. I thought I should actually read the book myself, having given a copy to one of my closest friends, and I must say that it's a delightful book and one that I would love to ...

### The Friendship Cure - Not really that creative

Journalist Kate Leaver believes that friendship is the essential cure for the modern malaise of solitude, ignorance, ill health and angst. If we only treated camaraderie as a social priority, it could affect everything from our physical health and emotional well-being to our capacity to find a home, keep a job, get married, stay married, succeed, feed and understand ourselves.
