Immanuel Kant defines an idea as opposed to a concept. "Regulative ideas" are ideals that one must tend towards, but by definition may not be completely realized. Liberty, according to Kant, is an idea. The autonomy of the rational and universal subject is opposed to the determinism of the empirical subject. Kant felt that it is precisely in knowing its limits that philosophy exists.

Hello, Prashobhini — In this type of construction ("idea" + preposition + wh-clause), "on" is occasionally used, but it is the least idiomatic of the three prepositions you're experimenting with here. By contrast, "of" and "about" are both idiomatic. "Of" is, however, the most commonly used preposition here.

"Form of the Good", or more literally "the idea of the good" (ἡ τοῦ ἀγαθοῦ ἰδέα) is a concept in the philosophy of Plato. It is described in Plato's dialogue the Republic (508e2-3), speaking through the character of Socrates. This form is the one that allows a philosopher-in-training to advance to a philosopher-king. It cannot be clearly seen or explained, but it is the form ...
