Written by forex expert Kathy Lien, The Little Book of Currency Trading will show you how to effectively invest and trade in today's biggest market. Page by page, she describes the multitude of opportunities possible in the forex market, from short-term price swings to long-term trends, and details practical products that can help you achieve success, such as currency-based ETFs.

The Little Book of Currency Trading: How to Make Big ...

I went into this book without reading reviews, and the negative reviews are pretty accurate. The little pieces of actionable information can be derived from reading the positive reviews. This book is a collection of short stories about traders who developed their own trend following systems and became multi-millionaires.
