The Political Unconscious Fredric Jameson

Fredric Jameson is an artist and a cultural critic whose philosophy and literary analysis conveyed an American brand of Marxism that is second to none. The Political Unconscious is a fable, an historical approach that disseminates, and disrupts the fixed political schemas in a valient and elegant

Jameson, in The

Read Book The Political

Political Unconscious, opposes the view that literary creation can take place in isolation from its political context. He asserts the priority of the political interpretation of literary texts, claiming it to be at the center of all reading and understanding, not just a supplement or auxiliary to other methods current today.

Unconscious
text is tied to an ideological-political "unconscious" which underlies it. This political hidden background expresses a class conflict which is expressed in the text in a complex manner. The function of the cultural text, according to Jameson, is to aesthetically reconcile to conflict which cannot be bridged in the material-historical level.
