refused to honor laws that interfered with the rights of married women in particular. They advocated for wives to be able to legally exist outside of a husband's control, to inherit and own real estate, and have the right to their own wages.

The Fight for Women's Rights in the Past and Present

Western feminism tends to ignore or deny these differences, which discursively forces Third World women to exist within the world of Western women and their oppression to be ranked on an ethnocentric Western scale. Postcolonial feminists do not agree that women are a universal group and reject the idea of a global sisterhood.

Postcolonial feminism - Wikipedia

Clearly the rights of women and girls are not respected, protected, or even properly understood. Recent actions by Mozambique's Parliament underscore this point. A revised Penal

During the late 20th and early 21st centuries in Iran, women's rights have been severely restricted compared with those in most developed nations. The World Economic Forum's 2017 Global Gender Gap Report ranked Iran 140 out of 144 countries for gender parity. In 2017 in Iran, females comprised just 19% of the paid workforce with seven percent growth since 1990.
