Not only this, there are several factors to get perfectly right before they can create an awesome portrait of a person.

Tips for Achieving Winning Portrait Photography With ...

When taking portraits with an on-camera speedlight look for a big wall or ceiling to bounce your light. Ideally identify a flat white space that will reflect the light and turn your very small speedlight into a much larger light source. The larger source gives shadows a soft edge to them and produces a more flattering light.

6 Tips for Taking Better Portraits with On-Camera Speedlights

Joe McNally: Shooting a Portrait with Speedlights. Featuring Nikon Ambassador Joe McNally. Firefighters. They share, along with cowboys, an innate ability to simply step in front of a camera and become a photograph. Henry, of the Soufriere Fire Department in St. Lucia, has a look, a presence, if you will, that speaks to the camera.
