Truth Lies And Bullshit

Surprisingly, Frankfurt thinks bullshit is more dangerous than lies because it erodes the very idea of truth. As he puts it: It is impossible for someone to lie unless he thinks he knows the truth ... Producing bullshit requires no such conviction. A person who lies is thereby responding to the truth, and he is to that extent respectful of it.

“bullshit.” A lie is the opposite of the truth. So a liar must know the truth. The motivation of a liar is to “insert a particular falsehood at a specific point in a set or system of beliefs, in order to avoid the consequences of having that point occupied by the truth.” Bullshit is unconnected from the truth.

Bullshit versus lies - Stuffed Blocks

Post-Truth is a murky concept. In an effort to bring some clarity, and avoid possible misunderstandings, we will start by explaining the prefix ‘post’ in Post-Truth, followed by an analysis of the distinctiveness of Post-Truth in comparison to two other closely related concepts: lies and bullshit.

Malaysians Must Know the TRUTH: The lies and bullshit

It was, as former Princeton philosophy professor Harry Frankfurt calls it, bullshit. A lie can be answered with evidence, which forces the liar to revise or withdraw former statements. Bullshit cuts out unwelcome facts: evidence that supports the message is true; evidence that hinders it is false. The principle of truth loses its relevance.
