Unintended Consequences: Why Everything You've Been Told ...

But according to Unintended Consequences, the conventional wisdom masks the real causes of our economic disruption and puts us at risk of a slew of unintended -- and potentially dangerous -- consequences. Unintended Consequences is not a book that takes a couple of insights and expands them into three hundred pages; rather, it covers the entire scope of the economy. It's a fascinating and contrarian case for how the economy really works, what went wrong over the past decade, and what steps ...

Unintended Consequences: Why Everything You've Been Told ...

"Unintended Consequences will be the most talked about economic book in 2012. When Ed Conard points the spotlight at recent economic history, his uncanny ability to cut through the confusion provides something totally unexpected: a fresh, nonpartisan perspective on what is right and wrong with America."

Amazon.com: Unintended Consequences: Why Everything You've ...

In Unintended Consequences: Why Everything You've Been Told About the Economy is Wrong, Edward Conard officially attempts to debunk myths concerning how the US economy actually functions, while in reality he advances a tired, dated philosophy of the merits of inequality, greed, intense competition and social Darwinism.
