With children comes a need to be flexible and to be able to change plans at the last minute. It is not an affront on you, or the status of the relationship, and it is important that you learn to be flexible without being demanding. Carol Burniston, a child psychologist explains 'A parent can't be selfish, a parent needs to put the children first.

We have a beautiful girl who just turned 4 years old. I want another child, and my husband does not. In addition to that, we have been fighting a lot, and now my husband is having troubles performing in the bedroom. Seems to be the timing of this problem is just another way to avoid what I want so badly.
