"Wii Fitness For Dummies" is a very informative book on how to use three Wii fitness games. The largest portion of the book is about Wii Fitness Plus - rightfully so since it contains the most features of the three. Although I've used the Wii Fit Plus for quite some time, I learned a few new things about it from reading this book.

You can't play DVDs on a Wii (though this feature will be available in future models). The Wii doesn't support Dolby Digital or DTS. You have to make do with Dolby Pro Logic II surround sound. The Wii doesn't come with the higher-quality component video cables that give you the highest quality video possible. You need to buy a component video cable set as an option.
