### World Poverty And Human Rights

Some 2.5 billion human beings live in severe poverty, deprived of such essentials as adequate nutrition, safe drinking water, basic sanitation, adequate shelter, literacy, and basic health care. One third of all human deaths are from poverty-related causes: 18 million annually, including over 10 million children under five.

### World Poverty and Human Rights: Pogge, Thomas W ...

World Poverty and Human Rights: Cosmopolitan Responsibilities and Reforms is a 2002 book by Thomas Pogge. In the book, Pogge explains that the poorest 44 percent of humankind have 1.3 percent of global income and their purchasing power per person per day is less than that of \$2.15 in the US in 1993; 826 million of them do not have enough to eat.

### World Poverty and Human Rights - Wikipedia

The facts about the extent of global poverty are pretty staggering, as Thomas Pogge explicitly demonstrates from the outset of this book. At the time of publication, "46 percent of humankind live[d] below the World Bank's \$2/day poverty line" and 43 percent of those people fell "below the World Bank's better-known \$1/day poverty line."

Extract. Despite a high and growing global average income, billions of human beings are still condemned to life long severe poverty, with all its attendant evils of low life expectancy, social exclusion, ill health, illiteracy, dependency, and effective enslavement. The annual death toll from poverty-related causes is around 18 million, or one-third of all human deaths, which adds up to approximately 270 million deaths since the end of the Cold War.

### World Poverty and Human Rights | Ethics & International ...

That world poverty is an ongoing harm we inflict seems completely incredible to most citizens of the affluent countries. We call it tragic that the basic human rights of so many remain unfulfilled, and are willing to admit that we should do more to help. But it is unthinkable to us that we are actively responsible for this catastrophe.
